**simple  
fast**

WEICON Label Remover quickly and easily removes paper labels and residues of acrylate and caoutchouc-based pressure-sensitive adhesives. Label Remover is suitable for many surfaces such as glass, metal, wood, foil and plastic.

WEICON Label Remover easily and safely removes adhesive labels, price tags (e.g. incorrect labels), address and product stickers, identification labels, and label residues. It also removes adhesive residues from foil labels such as vignettes on car windshields.

**Technical Data**

|                               |  |
|-------------------------------|--|
| Odour                         | <a href="#">citrus</a>                               |
| Storage stability             | <a href="#">24 months</a>                            |
| Features                      | <a href="#">removes paper labels and foil labels</a> |
| Colour                        | <a href="#">colourless</a>                           |
| AOX-free*                     | <a href="#">Yes</a>                                  |
| Suitable for application with | <a href="#">WSD 400 and WPS 1500</a>                 |

\* AOX = Adsorbable Organic Halides (chlorine, bromine and iodine compounds)

**Storage**

Keep in closed original container. Protect from direct sun light. Storage temperature may not exceed +50°C. Store container in a cool, dry and ventilated place.

**Safety and health**

When using WEICON products, the physical, safety technical, toxicological and ecological data and regulations in our EC safety data sheets ([www.weicon.com](http://www.weicon.com)) must be observed.

**Available sizes:**

- 15206001 Label Remover 1 L

**Note**

The specifications and recommendations given in this technical data sheet must not be seen as guaranteed product characteristics. They are based on our laboratory tests and on practical experience. Since individual application conditions are beyond our knowledge, control and responsibility, this information is provided without any obligation. We do guarantee the continuously high quality of our products. However, own adequate laboratory and practical tests to find out if the product in question meets the requested properties are recommended. A claim cannot be derived from them. The user bears the only responsibility for non-appropriate or other than specified applications.
